

ALASKA HIGHWAY CONSORTIUM ON TEACHER EDUCATION

Become a certified teacher without leaving northern BC!

The Alaska Highway Consortium on Teacher Education (AHCOTE) program can help you become a certified teacher in 16 months.

The program, which has been delivered at NLC for more than two decades, has developed hundreds of graduates who now work in school districts across the region and beyond.

Hosted by representatives from SFU and NLC, this virtual information session will overview the program's history and structure, admissions requirements, application process and more. We'll also be happy to answer any questions you might have.

Tuesday, November 16th, 2021

– Northern Lights College, Fort St. John campus room 144, 5:00 pm

Wednesday, November 17th, 2021

– Northern Lights College, Dawson Creek campus, room 3301, 5:00 pm
