### **\*\*Tips For Starting Kindergarten\*\***

- Help me pick shoes with Velcro unless I can tie my laces by myself.
- Help me practice using the bathroom, including wiping, so I am confident to go by myself.
- Let me play with different writing tools (markers, crayons, pencils, etc) and help me to recognize and try to print my first name.
- Let me try scissors with adult supervision.
- Teach me how to open and close my lunch kit and how to open the snacks and containers that you will send with me.
- Teach me how to zip up my own coat, and how to get dressed to play outside.
